549 The petr's chief object is to provide for Naivedya in the Sri Varadaraja swami Temple at Hemmige. The Dadhyodana offered as Naivedya is to be distributed to travellers first and then to the community. Other services are also provided for. Some services at Melkote are also provided for.

The interest on Rs 2600 at 4 p/c will just be enough to meet the expenditure proposed. When the income goes down the allowances for the services will have also to be cut down.

Similar endowments have been accepted. There can be no objection to accept this.

No details are referred to in the draft. A copy of the petn. will be sent to the Dy Commr. ~~for~~ who will issue detailed instructions.

The Dy Commr has reported that this endowment may be accepted and that the services will be performed.

The details have been furnished by one Patil [illegible] as on behalf of the petr.
